

# SHAYAN AHMAD

Full Stack Web Developer | BS Software Engineering Student | React.js • Node.js • MongoDB

📞 92 3409302040 @ shayanahmad368@gmail.com 🔗 [linkedin.com](#) 🌐 [github.com/shayan368](#) 📍 Peshawar, Pakistan

## SUMMARY

Aspiring Full Stack Web Developer with over 2 years of hands-on learning and project-based experience in modern web development. Skilled in building responsive and scalable applications using React.js, Next.js, Node.js, Express.js, and databases such as MongoDB and PostgreSQL. Passionate about creating user-focused solutions, continuously improving technical skills, and applying best practices in software development. Strong foundation in frontend and backend technologies with experience developing personal, academic, and freelance projects.

## Professional Training & Development

### Web & Mobile Application Development

#### 📍 Saylani Mass IT Training (SMIT), Peshawar

📅 11/2024 - 04/2026

- Completed a comprehensive two-year training program in Web and Mobile Application Development.
- Developed full-stack web applications using React.js, Next.js, Node.js, Express.js, and MongoDB.
- Built responsive user interfaces and RESTful APIs for real-world projects.
- Worked with version control systems, databases, and modern development workflows.
- Collaborated on team-based projects and applied software engineering best practices.

### Advanced Web Application Development

#### 📍 NAVTTC, Cs Technology

📅 03/2026 - 06/2026

- Successfully completed an intensive three-month Advanced Web Application Development program.
- Strengthened expertise in frontend and backend technologies.
- Developed scalable web applications and gained practical experience in modern frameworks and development tools.
- Enhanced skills in application architecture, performance optimization and deployment practices.

## EDUCATION

### Bachelor of Science (BS) in Software Engineering

#### Islamia College University Peshawar

📅 11/2022 - 06/2026 📍 Peshawar, Pakistan

## PROJECTS

### Transportation Logistics Company

🔗 <https://mk-transportation.vercel.app/>

Developed a modern transportation logistics company with a responsive and user-friendly interface.

### E-Commerce Website

🔗 <https://react-project01-ecommerce-website.vercel.app/>

Designed a fully responsive e-commerce application. Implemented product listings, shopping cart functionality, and category-based filtering.

### Food Delivery Website

🔗 <https://project17-food-delivery-website.vercel.app/>

- Developed a food ordering and delivery platform with an intuitive user interface.
- Implemented menu browsing, food selection, and order management features.
- Designed responsive layouts to ensure compatibility across mobile, tablet, and desktop devices.
- Applied modern frontend development practices to enhance usability and performance.

## SKILLS

### Frontend Development

- HTML5
- CSS3
- JavaScript (ES6+)
- React.js
- Next.js
- Tailwind CSS
- Bootstrap

### Backend Development

- Node.js
- Express.js
- REST API Development
- Authentication & Authorization (JWT)

### Database Management

- MongoDB
- MySQL

### Version Control & Tools

- Git
- GitHub
- VS Code
- Postman

## CERTIFICATIONS

### Hackathon

Saylani Mass IT Training (SMIT)

### Full Stack Development

Saylani Mass IT Training (SMIT)

### MERN Stack Development

NAVTTC

## INTERESTS

### Problem Solving Challenges

I regularly take on algorithmic and logical puzzles to strengthen analytical thinking and creativity.

### Mentoring & Knowledge Sharing

Enjoy guiding aspiring developers through career advice and real-world project insights.

### Continuous Learning

Committed to lifelong learning and exploring new concepts, leadership skills, and emerging product ideas.
